

Children's Ministry Mission: Celebrate spirituality with wonder! Children are naturally spiritual beings and every day theologians. We want children to recognize and name this spirituality found within themselves and in all the world around them.

Components of Celebrate Wonder:

- Spiritual Practice – intentional activity or ritual that helps you be aware of God's presence. Simple and tangible practices to connect with God's love
- Peaceful Place – space for children to spend quiet time with God
- Wonder Table – similar to an altar, a holy space meant to help the children see and know God is present – used as a gathering area for the story time and for participating in spiritual practices
- Wonder Box – special place to hold a special item that connects to the Faith Word and to the Bible story. The Wonder Box is very special and is kept on the Wonder Table. Each week we reveal what's inside and discuss it's importance.
