Call to Worship

Leader: The world is changing. We see it everywhere.
We feel it in our bones.
It seems to happen so much faster now than it used to.

All: The world is changing.

Leader: And also, the world needs to change.
Children are hungry. Systems are unjust.
People are afraid. There are people on the streets
who won't make it a day longer.

All: The world needs to change.

Leader: It is God's desire that the world would change
and become more like a holy commonwealth
of just peace in which all have what they need.

All: And we are the changemakers.

Leader: We are called to work alongside the Holy Spirit.
We are called to follow the way of Jesus.

All: May we be changed by this time of worship!

Call to and Prayer of Confession

Holy One, you are the beginning of all things.
You are older than time itself.
But we're the ones who have a problem with change.
We like things to stay the way they are.
Or even better, we'd like things to go back to the way
they were before.
And so we get in the way when you
are trying to do a new thing.
We find change to be scary,
and so when things need to change, we often don't show up.
Forgive us.
Forgive us for when we ignore the people
who need change the most.
Forgive us for when we resist your holy transformation.
Forgive us for when we, ourselves, refuse to change.
Change us again. Remake us now to be more like Jesus.
Open our hearts to all that you would have
us change in this world. Amen.

Assurance and Peace
