Call to Worship

Leader: The world needs to change, a lot.

There are so many things that need change,

All: and we can get overwhelmed,

Leader: especially if we think that we need to make
all of the changes by ourselves.

We need to remember that God is already at work.

**All: God has been, and always will be,
doing a new thing.**

Leader: We are called to show up
and cooperate with what God is doing!
We are the changemakers,
and we are being made ready!

All: May we be changed by this time of worship!

Call to and Prayer of Confession

Holy One, you are always at work in the world,
and you call us to be a part of what you are doing.

But all too often, we don't see the creative opportunities
that you have for us.

We think too narrowly about what we can give,
what we can do.

We struggle to trust that you are at work within us as well.

Forgive us.

Forgive us for when we fail to see others.

Forgive us for when we fail to trust.

Forgive us for when we fail to risk vulnerability.

Forgive us, and change us again.

Remake us into people who cooperate with your Spirit.

Remake us as the Body of Christ,
that we would work for the healing of the world. Amen.

Assurance and Peace

All: and also with you
