#### ***Kasie Cousino***

**Age:** 45

**A little about me:** I am a Washtenaw County lifer and continue to enjoy the ever evolving nature of Chelsea, Dexter, Ann Arbor and the surrounding towns. My husband Ryan and I have been married for 15 years and have two children, Avery (13) and Jake (11). I enjoy spending time with family and friends and being active or outside, walking on the trails, yoga and on the lake.

**My church life:** Chelsea First has been the church that I grew up in, from age 6 when my parents switched from Dexter UMC. Since returning to the church as an adult, I've enjoyed working on the children's ministry and missions groups, serving on the finance team and am hopeful to serve the congregation as a whole with the Leadership Board.

**My work life:** It took me a while to figure out what I wanted to do with my degree in mathematics from the University of Michigan. After time working as a bartender, eighth grade math teacher, and mortgage broker, I settled in the fascinating world of insurance. I was incredibly blessed to find a company willing to invest in me where I could love the work I do, as dry as insurance company management may seem.

#### ***Todd Hubbard***

**Age:** 64

**A little about me:** I grew up in Royal Oak and graduated from Kettering University and the University of Michigan. I married a wonderful woman in 1989 and we raised three wonderful children – Gwen (and Ben) live in Chelsea, Marty lives in West Hollywood, and Kirby lives in Houghton. I enjoy camping, hiking, and building stuff.

**My church life:** Deb and I started attending Chelsea First when we moved to the area in 1992. We have both served on various leadership committees over the years.

**My work life:** I was a healthcare product manager for most of my career. After retiring, I worked 3+ years for a local company building theatrical sets for amusement parks around the country. It was great fun!

## ***Mike Vanderspool***

**Age:** 60

**A little about me:** I grew up in Indiana, graduating from Purdue University (Boiler Up!). Allison and I married in 1997 and have 2 children. Drew graduated from U-M and is now in San Francisco, and Kate is graduating from Michigan State this spring. I enjoy being outdoors when I can, travelling to places new and familiar, and brewing an occasional batch of homebrew.

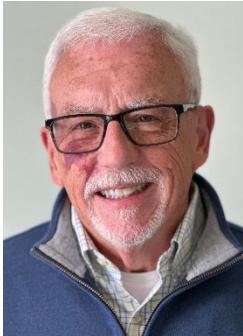

**My church life:** We've been attending Chelsea First since about 2000 after moving back to Allison's home state from Kansas City. It's been very rewarding to be involved in several church teams and committees over the years, as well as sporadically finding myself learning from the youth in various ways. I'm currently honored to be serving on our church's first Leadership Board.

**My work life:** It's bittersweet (more sweet than bitter) to say that my professional work life as I've known it for almost 40 years is coming to an end in March 2025. I've held various operations and project management roles in several industries in 3 states. While I've worked for some great companies, the best memories are the friends I've made along the way. I look forward to the opportunities this "third third" of life has in store!

## **David Shaw**

**A little about me:** I grew up in New Jersey in a small town not far from New York City. I went to college in Pennsylvania, then found a job in Michigan in 1981. Kathy died in 2022 of posterior cortical atrophy. I have been enjoying getting to know Chelsea and becoming part of this great community. You can find me around town walking with my dog, Fergus, or riding my bicycle.

**My church life:** I grew up in a United Church of Christ congregation in New Jersey. When I moved to Jackson I joined the First Congregational Church there. When Kathy and I married, it was at Calvary United Methodist in Jackson, where her family had been members for four generations. We served in several areas there for many years. We then joined Jackson First Church of the Nazarene and served in several ministries until moving to Chelsea. I have been at Chelsea First since 2022.

We found our way to the United Methodist Church when I was in middle school. Church camp and mission trips were formative experiences for me, along with amazing mentors and role models in our local church.

My appointments have been: Gordonville, in Midland; Sterling Heights; Saginaw State Street; Ann Arbor District superintendent; Chelsea First. I continue to rejoice in the learning and inspiration that comes to me from the gifted, wise, and faithful people among whom I serve. All of us are works in progress and I thank you for continuing to teach me.
