### Unison Prayer

Come, Holy Spirit, be with us here.

Today we come together with sad feelings

because of all the hurt and trouble in the world.

We are hoping for the deep peace that only you can give.

When people are divided or unkind, bring new life and love into us.

Help us have gentle hearts and willing hands

so we can help fix what's broken, care for others,

and make things better.

Where things feel sad or damaged, help us bring healing.

Where people are hurting, help us bring hope.

Teach us to choose love instead of trying to control everything or win at all costs.

Draw us close to you, God, so your Spirit can fill us and help us share peace with others.

Change us from the inside out.

Lift us out of dark and difficult places into the light

and joy of Jesus' love. We pray in Jesus' name. Amen.
